How XBRL can excite investor relations!

Presentation to the Investor Relations Society, Finland

Your presenters today

Jacqueline Whitworth Product Marketing Manager Ian Whitworth Director of Product Management

Annual reporting is going digital

The clock is ticking!

Downloaded and shared in seconds

Once released, this data cannot be erased

Imagine getting your key financials wrong....

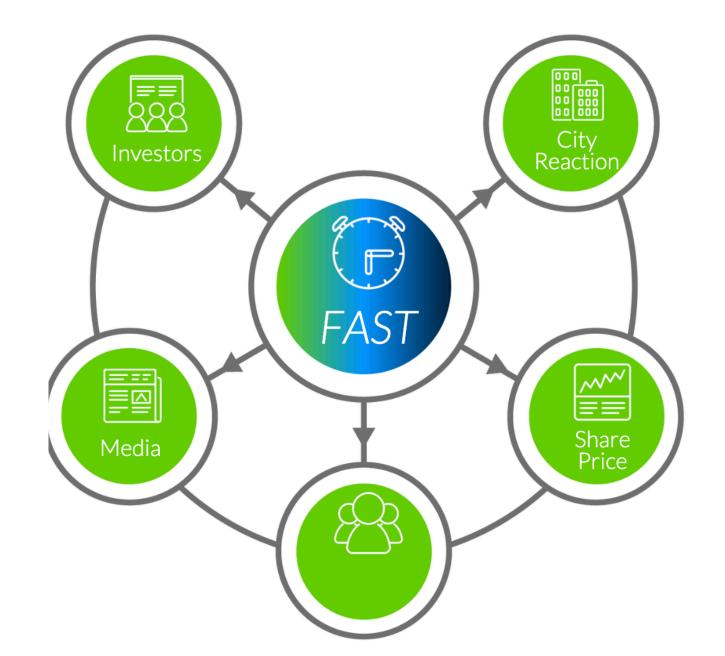

2+2.

...or your narrative doesn't align with your numbers

2020 ANNUAL REPORT		
CONSOLIDATED BALANCE SH	EET	
CONSOLIDATED BALANCE SH	2020	2019 4m
	2020 5m	

Our revenue for 2020 has gone up 2m from the previous year! The reaction from your stakeholders will be in minutes

The footprint left behind

The best user experience is when there is trust in the data

So how will XBRL change investor relations?

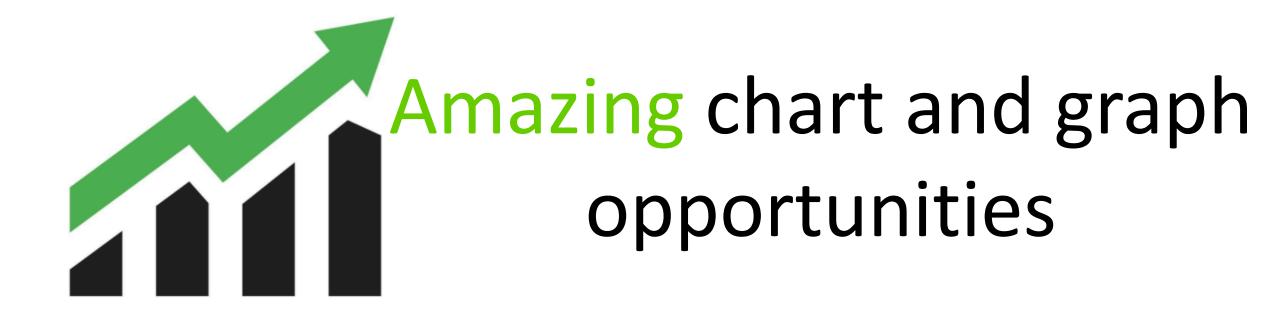

XBRL is the best gift imaginable for IR

ESEF is data

transparency

Workiva is data trust
